### Church Parking Reminder:

Did you know that our St. Paul's by the Sea church has enough room to accommodate up to **six cars** in the alley way behind the hall **if you park on an angle**. Also, there is plenty of room in the Polynesian parking lot **located on the side** of the church. This lot can be used by our parishioners, guests and the RDCC event staff and guests as well. It is recommended that larger vehicles like pick up trucks and big SUV' s use the Polynesian lot as they will not fit in the alley way angle parking spaces. We thank the Polynesian Condominium Group for allowing us to use this lot during the off season only. Unfortunately we **may not** use the Polynesian parking lot during the months between Spring Fest- May 2nd thru Sun Fest- Sept 23rd. Any questions please contact the church office at 410-289-3453.
