A Place To Be

St. Paul's by-the-Sea will be expanding their

services to assist people experiencing homelessness and others to find relief from the elements in a safe, affirming space during the day. Dewees will remain open to Crook clients and anyone needing shelter from Noon to 4pm.

If you feel called to volunteer for this ministry please contact the Transformation Team through the church office. Remember, ministry commitments can be as short as a one hour shift.

Ocean Cluster

St Paul's by-the-Sea is one of the three members of the Ocean City Cluster churches, along with St. Paul's, Berlin and Church of the Holy Spirit in North Ocean City. This intention of having a church cluster is so that the three parishes might have the opportunity to engage with each other in a variety of ways. We are currently assessing how our involvement within the cluster might best serve our congregation. Please take a moment to answer the following questions concerning your interest in future participation.
