New Coffee and Conversation Series Begins This Sunday

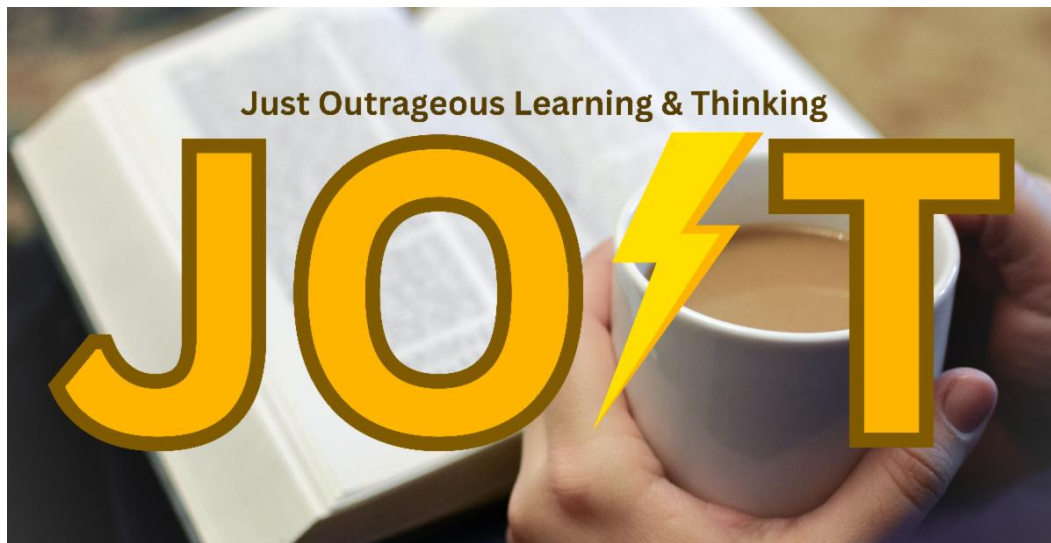

How do we adapt our sacred space in 2024 to meet the needs of God's people? We will be discussing how St. Paul's by-the-Sea has changed throughout the years and how it will continue to change. We will be exploring the archives, photographs and theology. The conversations that take place during this series will provide an opportunity for everyone to enter into the discussion that will inform the future. Join us this Sunday after the service!

HONORING THE WOMEN OF OUR CONGREGATION

Brought to you by John Bunting and his crew!

JOLT, Just Outrageous Learning and Thinking, is going to be a non-traditional Bible study that will take place on Wednesdays at 10am, beginning this Wednesday, May 8th. We are going to learn and we are going to talk in an outrageous way because Christ came, did outrageous things, and flipped the whole world upside down. He taught and lived in an outrageous way. So, it's worth talking about and learning about since it is in our Baptism Covenant that we do so. We hope that everyone will join us.

Tuesdays, beginning April 23rd

A PLACE TO BE

Deweese Hall will remain open after Shepherd's Crook closes

ONLY COFFEE & WATER AVAILABLE

Volunteers Needed

We have begun opening Dewees Hall on Tuesdays from 12 to 4, and are calling this time A Place To Be. It's just a place to be, have coffee, sit down, relax, read a book, play a game. This is sheltering during the day from heat, from cold, from rain, from just not having another place to go.

If you feel called to volunteer for this

ministry please contact the Transformation Team through the church office.
Remember, ministry commitments can be as short as a one hour shift.
